

Issue 155 April 22nd, 2017

## Top links

### [Low-Cost 10 GHz SSB Receiver](#)

This set-up should be capable of receiving the amateur radio transponder on the geostationary satellite Es'Hail 2 that is expected to be launched in early 2018.

[AMSAT UK](#)

### [FCC proposes huge fine on New York Police radio jammer](#)

The FCC has proposed a fine of more than \$400,000 on a Queens, New York, man who has admitted making unauthorized transmissions on New York City Police Department radio frequencies.

[ARRL](#)

### [A better way to put a PL-259 on RG-58 coax](#)

A soldering technique that seems to simplify assembly of PL-259s with RG-58 cable.

[KB6NU](#)

### [Tracking North Korean Numbers](#)

The announcements typically take between 5 to 10 minutes to read dependent on the number of digits passed.

[K2DLS](#)

### [How to survive the Total Solar Eclipse of 2017](#)

We're just 18 weeks away from the "Great American Total Solar Eclipse" that will darken skies across the continental U.S. on Aug. 21. Are you ready for it?

[space.com](#)

### [Apollo 16, 45th Anniversary Special Event](#)

Apollo 16 was the first mission to visit the lunar highlands. John Young and Charles Duke spent 71 hours on the surface

[NN4SA](#)

### [Mastr 3 UHF Low Pass Filter Testing](#)

One piece I see myself being able to use elsewhere is the final low-pass filters from the power

amplifiers.

The Life of Kenneth

## **Morsum Magnificat available for free download**

The Morse Magazine, otherwise known as "MM," contained a vast amount of information and illustrations of interest to Morse operators.

Southgate

## **Packet Pad app**

Packet Pad lets you view Packet Radio transmissions on your iOS device.

Packet Pad

## **Video**

### **Locating HF Interference in the home**

After walking around with a portable receiver and failing to find the source, all house power was turned off and the interference was gone. You won't believe the eventual culprit!

YouTube

### **Installing A Mag Mount On A Fiberglass RV Roof**

The Motorhome Ham Station starts to come along.
